Your Journey, Our Bowl!

OUR STORY

Maki & Ramen was founded by

Teddy Lee.

His journey began as a Chef, studying in a sushi academy in Tokyo, with an aim to introduce high quality ramen and sushi to our local communities.

With hardwork, resilience and a solid team, he founded our first MAKI & RAMEN in 2015. It is proudly standing today alongside our other branches, serving hundreds of hungry customers each and every day. Now that we have expanded our reach around the UK, our goal is to bring people from all over the world together over a steamy bowl of ramen whenever and wherever.

湯

Broth

Inspired by the hundred ramen-ya (ラーメン屋) or ramen shops in Japan, our broth goes through a painstaking 8 hours to ensure the silkiest and richest broth available. We do have vegetarian options available.

麵

Noodles

Our ramen noodles are handmade from scratch daily. We always cook them to perfection. Not too hard, not too soft, just the perfect amount of bite and texture. Truly the essence of great ramen.

鮮

Sushi

Our sushi is a culinary salute to Japanese ingenuity and precision, with unique flavours, fresh ingredients and an experience like no other. We take great pride in our art. Indulge yourself and be transported to Japan in an instant.
